Getting wet has a double meaning when well-endowed lasses lather up. What do girls get up to in when they're spending hours in the bathroom? What do you think they're doing? A little rub-a-dub fun in the tub is something every girl enjoys! Czech babe Hana (above) soaps up every inch of her 42-28-38 figure, super-body woman Gina LaMontana makes mincemeat out of her wet t-shirt (left), and the lovely Lorna Morgan, star of a whole slew of sexy videos like *Busty Euro Babes*, *On Location Portugal*, *On Location Key Largo* and *Boob Gaze 2000*, couldn't look hotter—or wetter—as we catch her in the act of scrubbing down her naughty bits. More of Lorna can be ordered online at eBoobsStore.com.

A woman with dark hair is shown from the waist up, covered in thick white soap suds. She has a surprised expression with her mouth open. The background shows a white tiled wall and a window with a view of greenery.

**Dirty Girls
Coming
Clean**

A blonde woman with long hair is sitting in a bathtub filled with white foam. She is looking directly at the camera with a smile. The background is a dark tiled wall with a showerhead and some plumbing fixtures. In the top right corner, there is a graphic with the text 'Bathing Boobies' surrounded by blue bubbles.

Bathing Boobies

Honest girls will confess that they do a lot more in the bathtub than get clean. What is Petra (far left) up to with her sneaky fingers? Why is Marta spreading her legs in the shower? Why would Olga cup her boobs like that? The answer may be hiding behind Ragine (above). That contraption behind her head is a hand-held showerhead, and the best friend of many a horny, young beauty.

Remember what we told you on the previous page about girls and their shower heads? Well, every babe on these two pages is having a sexy, solo time while getting down and intimate with their water nozzles. Blonde Natasha's happy letting the droplets slip off her tits to puddle up in her lap; sexy Tatiana looks like she's about to add her own juices to her overflowing bubble bath, and the legendary Unsey Dawn McKenzie (left), who arguably has one of the best bodies to ever grace this earth, is ready for anything in her steamy bath. Sexy Iva (right) is sending herself to ecstasy, turning a stream of gushing, warm water and her fingers into the ultimate pleasure toy. Rub-a-dub, and they cum in the tub!

Busty Best of the Web

**They're so hot,
only their own
sites can
contain them!**

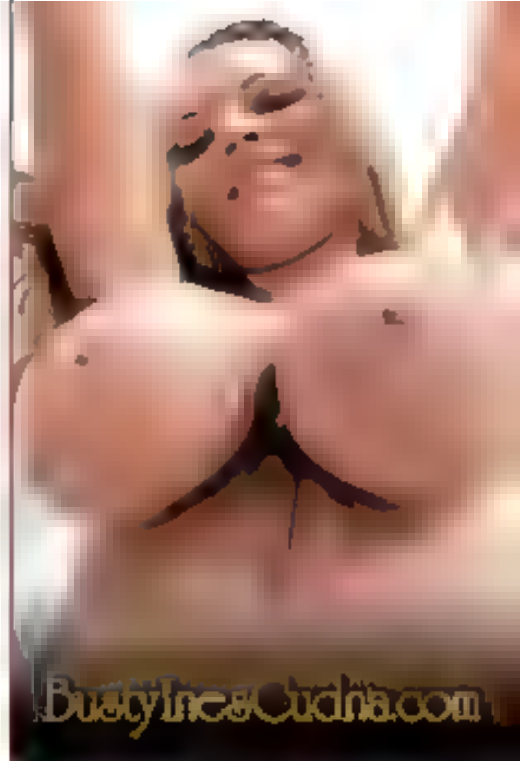

All of the women we're featuring in *Mamazon* are remarkable, but a select few have a special spark that turn them into stars, not only of the printed page and video, but of the internet, too. Each of these busty wonder women is the queen of her own web domain, and they'd be more than happy to see you in cyberspace. If you're a lover of huge natural hooters, take a look at the websites of (clockwise from above) Desrae Chloe Veulier and Autumn Jade.

Chloe
CHLOESWORLD.COM

What is it about European girls that make them so darn hot? Nicole Peters (top left), Kerry Marie (bottom left) and Ashley Dawn Mizer (bottom right) are from England and the youthful blonde beauty Jha's Ines Cudna (top right) comes from Poland. Luckily you don't need a passport to visit them. You can just click on...

BUSTY
KELLYKAY.com

The two newest queens of the big-bust web are Kelly Kay (left) and Marilyn (right). Kelly's site launched last year, and she's been growing (both her boobs and her fan base) ever since. Russian newcomer Marilyn's site has only been up for a few months, and already she's being hailed as one of the most amazing big-bust models ever, with her slim figure, huge boobs, sexy face and natural exhibitionistic streak.

WRESTLING MELODY'S MAMS

**It's
amazing
how a babe on a wrestling
mat can cheer a guy up!**

By Steve Lindbergh

This kinda town really sucks. I sat at my table, took a hard pull from my glass of straight-up whiskey, had a bit more of a low-down, my top almost came off, but when my companion told me they were sending me there for a guys meeting, I leaned forward to seeing him. Big time, I could stop thinking about all the fun I had the last time I was there with the hookers and the strip clubs that really heated things up. The city was a heaven-on-earth. As the coupe you could grab and get.

But when I drove out there, I found out for the city had turned into a hick town. My car broke. I'd more cheese than my bars.

non-stop show. When I saw the girls with hooks hanging out, just waiting to pick up some money, I went to the bar. After waiting the night, waiting for a lot of drinks, I found myself in some crappy theme restaurant, trying way too much for a woman's night and trying to figure out what I was going to do with my life for the rest of the night. I was sitting at the bar, waiting for a woman's night, and I was waiting for a woman's night.

I found my way to the bar, and I was waiting for a woman's night, and I was waiting for a woman's night.

What are you going to do? I asked her. She

stumbled some half-assed excuse about being busy, then went before picking my money and heading off to pick some more. What desperate out-of-control.

I dragged, grabbed my coat and got up to leave. I looked at what was going to be one of those nights, which just had around my head, then about my expense account by taking the money and getting really stupid. The next thing, I was going to be getting some action was spending a bit of money, then a little more to some phone sex, but I was dirty when I needed my face.

As I slowly walked toward the street to get myself a car, a detective was

low piece of paper in my hand and staggering off to no doubt intercept the next innocent passerby.

I opened the flyer. It showed a picture of a huge-chested babe sitting in a man's car. *What the fuck,* I thought. That's not to say I wasn't interested—I got in a cab and instantly caught a whiff of the cabby behind the wheel.

So sure you got the right address, asked an Tuscan-looking man in a restaurant where the office was. I was sure, ever wanted to get out of the car and I would have been out with them, no otherwise.

That's at this it he rested. I shocked him a few spots and got out of the cab wondering I had made a bad mistake by coming here, tried to look into the window and saw nothing. They had been painted black from the inside. When I pushed open the door, a tiny bell quipped it was tough to see anything. The only light shone dimly from a couple of greeny bulbs hanging in a corner. A chuck probably around

**Take a
moment to
reminisce
with these
famed
funbags**

It is a very rare and difficult to find even girls as awesome as the ones in these pages. That's why the girls are so special. They are the only girls that will never preserve these photos as while they are at the height of their sexual maturity. They are talking about Mamma. They are all so rare.

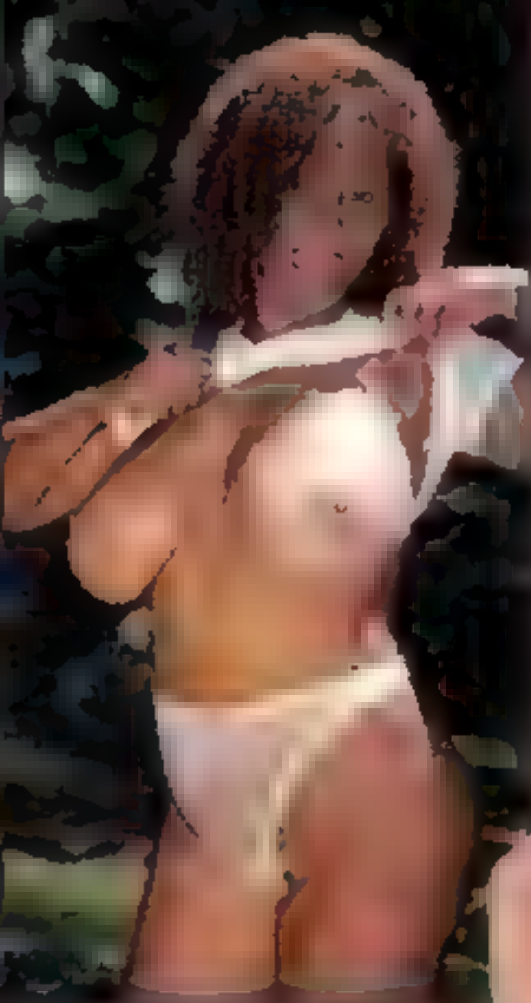

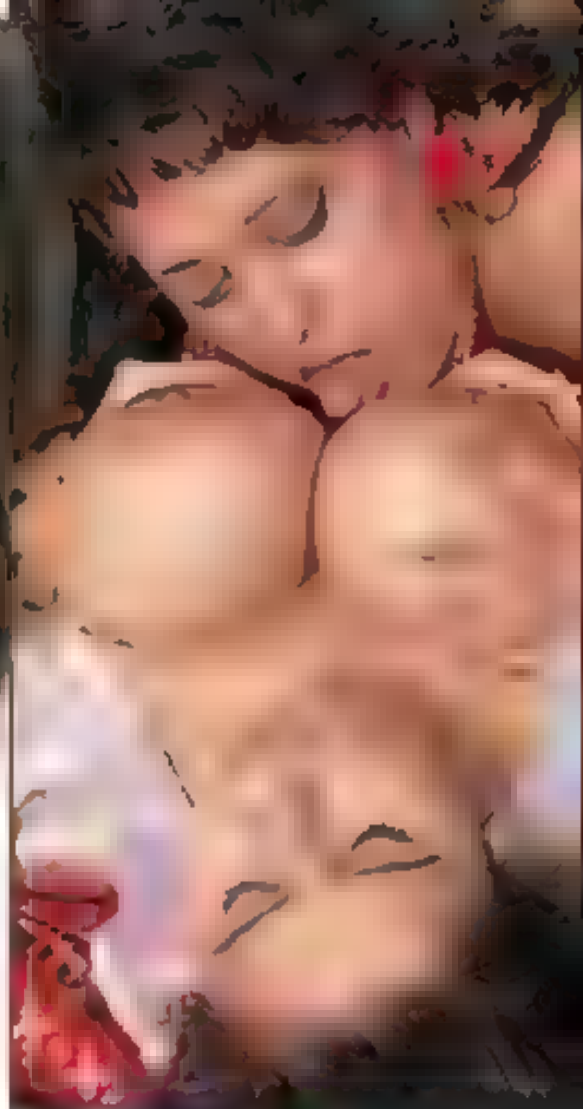

Between the two videos, every woman in this pictorial (plus a few not pictured) shamelessly flaunts her super succulent suckles—21 to 20. They or he licks up and massage them down, play with their nipples until they get so horny, they must bring themselves to orgasm by hand or by dildo, while staring right into the

eyes. We just had to preserve the 21 to 20 posterity. And for you.

Girls' Night In and Out!

When there are no men handy, these buxom beauties take matters into feminine hands.

If truth be told, these babes would probably prefer a hard cock in said div when they've got a sexual itch. But in the absence of a fellow pod, they're happy to substitute a beautiful woman as the sexual plaything. The looks of pleasure on the faces of Kerry, Maile, and Lorna Morgan's can't be faked, and if you had a mouthful of three women's boobs and your tongue like Magda does above, you wouldn't complain, would you? Buxom buddies ass and a and nes may look down on us, but what a view that is.

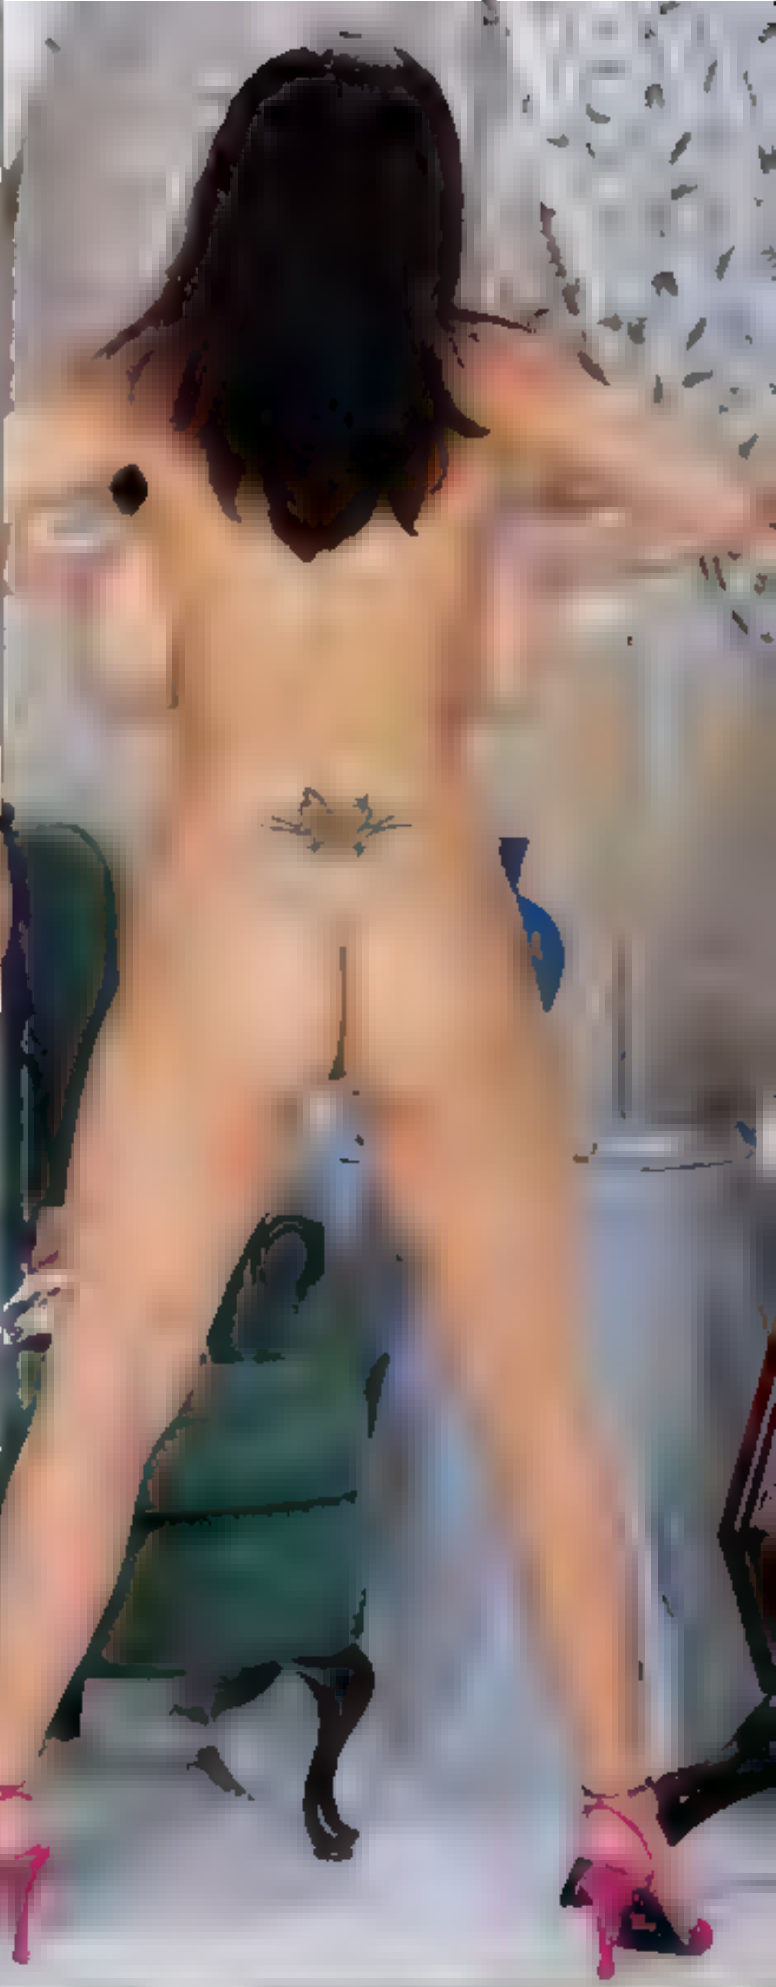

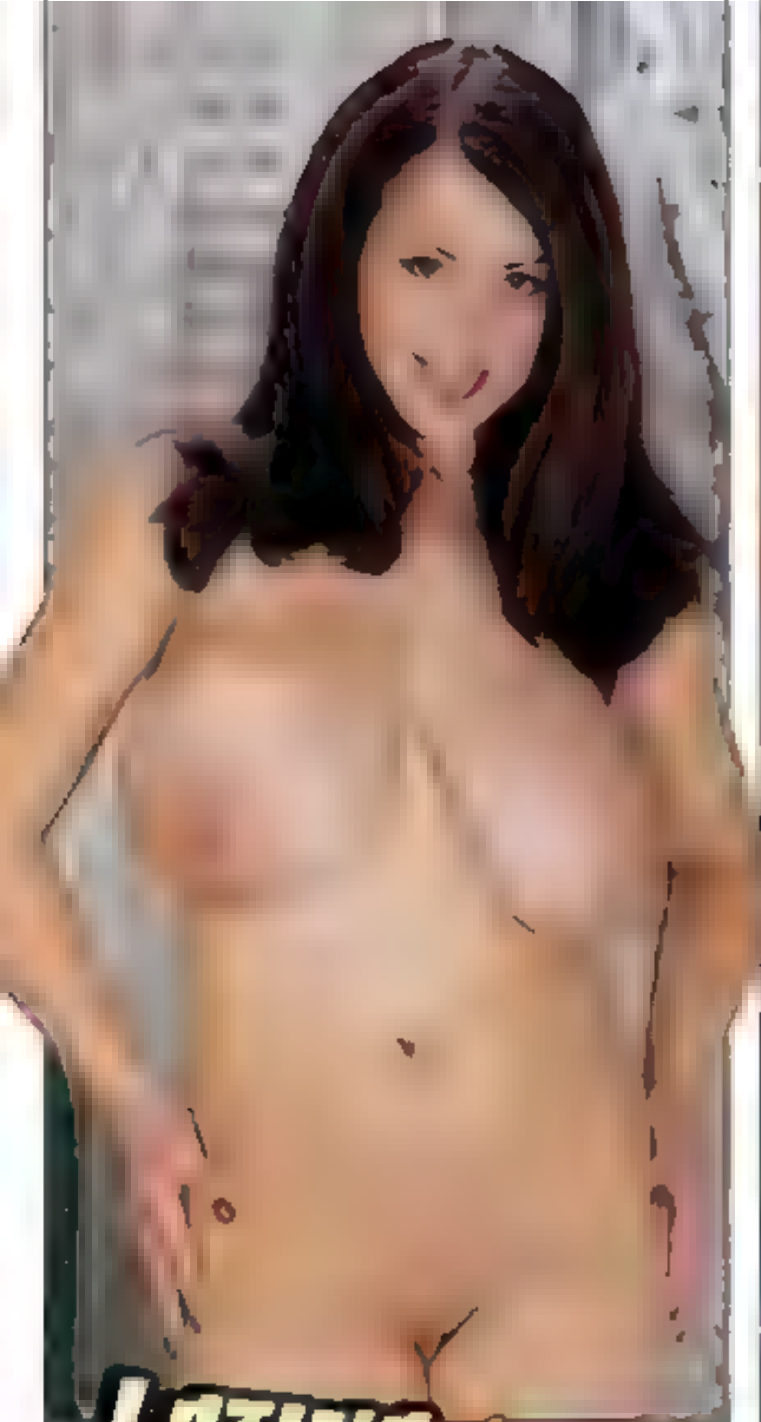

Legendary big-bust model Lisey Dawn McKenzie takes her bomb-protegee Kelly Kay under her wing, so-to-speak, while longtime favorites Autumn Adelaide and L'Or get in a little ozzie-ozie. Not to be outdone, newcomers Marilyn and Anna-Light prove that the new crop of mammoth-mammad naturals can get just as horny as their predecessors.

Tear yourself away from their obvious charms for a moment and take a look at the faces of Taina (above) and Nikk Perez (opposite page). Nikk was only 14 when she was discovered by *Vibe* magazine (p. 300) and since then she's slum into her own performing in videos like *La Negra #3* and *Voluptuous Negra #7* (available on page 52). Taina is a new come-appearing in print for only the second time after premiering in *La Ginepepe #1* (see *We Laughed* on video no. 10) and will be releasing her debut soon.

We called Cassandra (above) a Slovenian sex queen when she filmed her incredibly raunchy scene in *SCORE Xtra #7* and in that she only took on one man. For her 100th day out in the sept '06 issue of *SCORE* magazine, Cassandra hopped on two cocks without blinking an eye. You can see her pretty face elsewhere in this issue if you want to get to know her better. But we thought this shot was too hot to leave out. And no one at anal angle would be on page without our Cherry Brady (right). In both *Voluptuous Xtra #8* and *Ultimate Cherry*, the superstar took it up the ass and loved it. At Your Service

Wouldn't it be nice if
everyone in the service
industry was like this?

Okay, so maybe we're stretching it a little bit. It's highly unlikely that Cherry Brady would don camo gear and defend the free world. Crane Topods may have an IQ many many points higher than her 4th grader puppies, but we've yet to see a teacher fill out a bra the way she does. And if Denise Davies approached us with a thermometer, our temperature would surely surpass the boiling point. But every now and then, we have to indulge ourselves and imagine the world is populated by nothing but...umbijuggethuts.

At Your Service

In our fantasy world, Enrage is just fighting for our steak dinner while in the real world, she's the one with the hottest hand of poker we've ever played. And in the real world, she's just speeding away from the cops and the cops are just chasing her. And in the real world, she's just putting out all the fires down below that she's going to see. Yeah, she's not nothing real, but a guy can drive a car. A guy can drive a car.

MELODY'S MAMS

Continued from page 24

20-years-old or so, approached me. She was wearing nothing but a tight t-shirt that was stretched to unimaginable limits by her huge tits.

Hi, I'm Melody," she purred at me. "Would you like to watch or participate?"

You mean I can wrestle?" I asked, shocked by the possibility.

Sure," she answered with a wink. It's fifty bucks to watch, one hundred and fifty to participate," she explained, giving me a 100-watt smile that was far less impressive than her massive tits. They were the size of watermelons with eraser-sized nipples that poked out through the thin fabric of her shirt, itching to be touched.

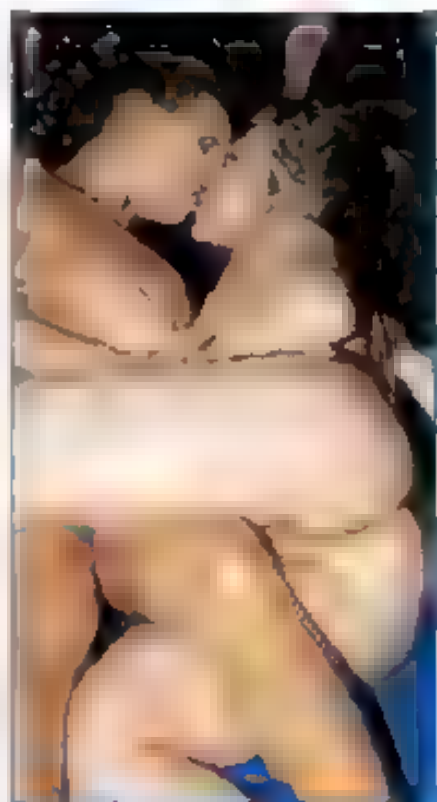

I'll just watch for now," I said, reaching out my wallet and handing her two twenties and a ten.

Okay, follow me," she said, leading me down a hallway into a tiny room that was not much bigger than a closet. Inside there was nothing but an old wooden folding chair that faced what I assumed to be a one-way mirror looking into another small room. The floor

in the smaller room was covered with mattresses from one end to the other. I could see another half-dozen mirrors, all of them, I supposed, with guys like me behind them, waiting for whatever entertainment was coming.

The door on one side of the room beyond the mirror suddenly opened and a tall, sexy blonde walked in with a fat, forty-something guy following right behind her. This chick was absolutely gorgeous. She had thick, long, flowing hair and a tight, little body capped off with a pair of gigantic tits, each one about as big as her head. As I watched intently, she peeled off her t-shirt, revealing her bodacious breasts. My cock was instantly rock hard as I checked out those massive mams. I figured they had to be at least 44Es and all-natural, each of them capped off with large, brown nipples and areolas the size of silver dollars.

The guy behind her quickly stripped down to nothing. He was already sporting a huge hard-on that bobbed back and forth as he and the big-titted blonde started to circle each other. I rushed out my cock and stroked it as they approached each other. Effortlessly, the chick threw the guy onto his back on the mattresses. As I

watched, she climbed on top of him and pulled his hands to the straps across her thighs. She shoved those huge hanging boobs into his face so he knew he was getting his first. She thought as pumped my prick. This is great.

The guy's hands cupped and squeezed her tits out a sack of two before he tried to push down her shorts. The ties of the shorts snapped and fell over the front, but as he got on top, her on top, those tits came with a jumpy motion, as he moved between them. They wound up with him on his back and her on top.

Once in a position of power, the Mexican blonde started to go down on him, squeezing her enormous natural breasts together around his shaft, bobbing back. He went to putting his mouth at a tip, as she pushed her tits around his prick. His dick head stuck out from her deep cleavage. She gave the head a couple of licks, then she sucked it in the way it is to her mouth for a second before rocking back and forth, sucking his rigid cock with her boobs. Then, she pulled off, grabbed both of her tits and rubbed her bullet-sized nipples up and down over the cockhead. My fist was frantically pumping my meat as I watched the unbelievable action. She pushed his pre-cum dripping pole back between her boobs and made it vanish by pushing them together, engulfing his cock.

bear hug, leaned back and dropped my ass to the mattresses. *Fucking hell, this chick was actually unreal!* I thought as she grabbed my hands and pinned them behind my head, her entire body rubbing against my cock, hard bobbing cock. Her tits flashed up against my face, I leaned forward and felt those powerful mounds as they totally engulfed my ass, I opened my mouth and sucked and sucked on her babies, getting a whole nipple in my mouth before she pulled back.

"Oh, you naughty boy!" Melody giggled, giving my cock a pushin' and pullin' with her tongue. I got so hot that I grabbed her around the waist and tossed her onto it. She was under me, sat up with my legs on either side of her flat stomach. She broke out in a big, sexy grin as I leaned down and sucked at her nipples again with my head. Her hands were under my ass, they were huge, huge!

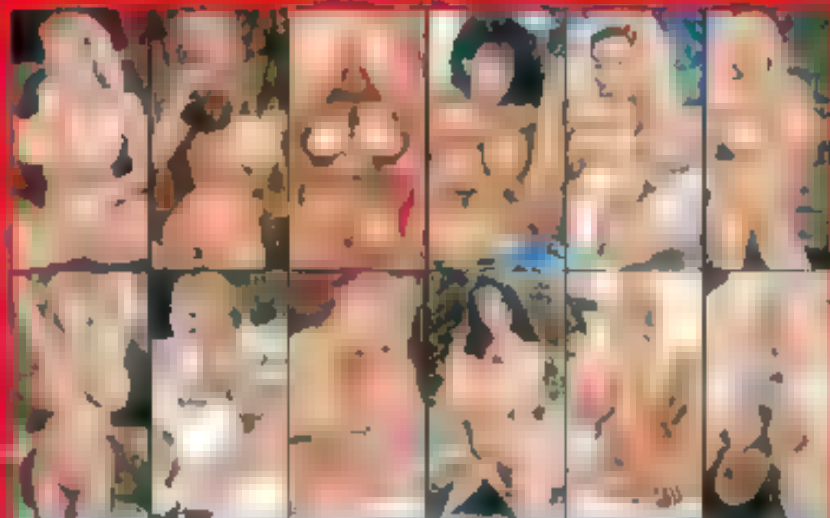

Enough of that. My cock was already aching for more. She slid my hand up Melody's sexy stomach from her belly button, over my navel, and worked between those tiny white bits of hair. "I know just what to do with that," I was pushing her higher up with her hands. I started to suck her breasts and felt those soft mounds of flesh mold themselves around my cock, squeezing as I pumped my hips, sucking in and out of her crevice. It was warm and moist from her sweat and the pre-cum that was leaking out of my shaft.

Melody gave her tits another squeeze and rode them round around my cock like a second skin. I was +

These bras are miracles of modern engineering!

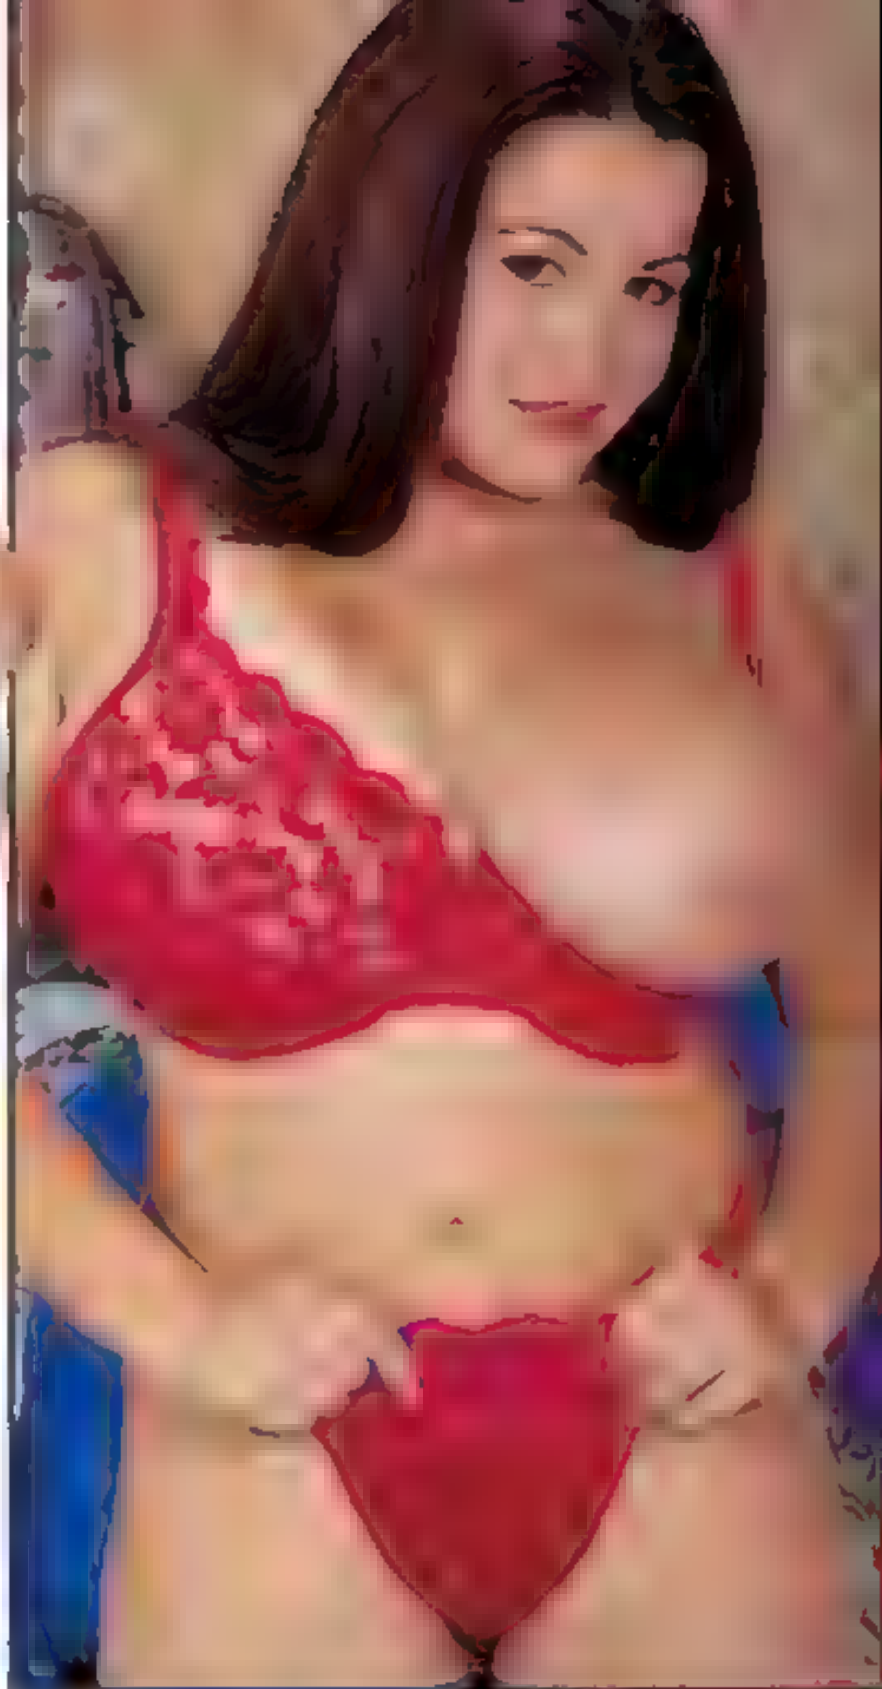

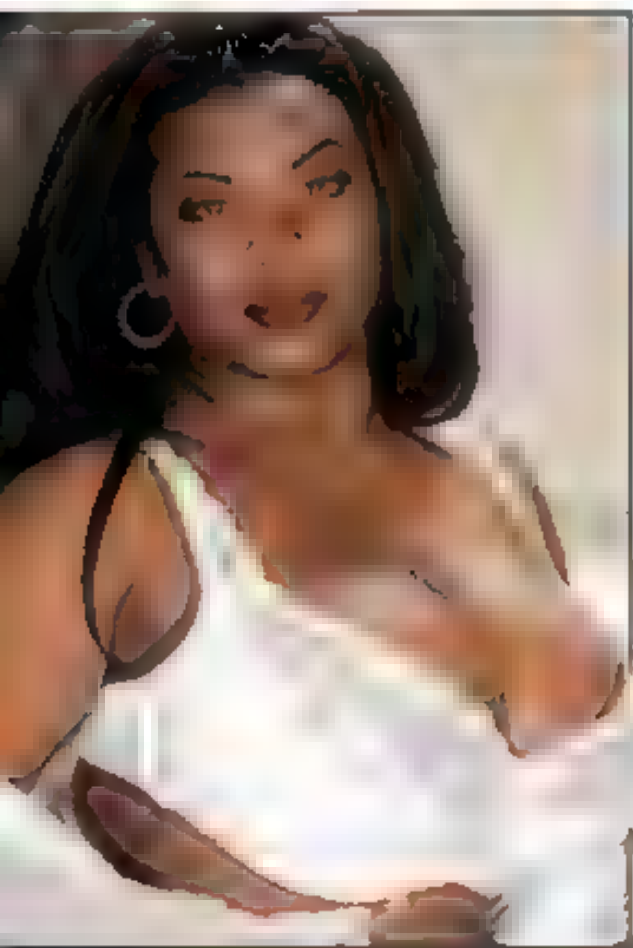

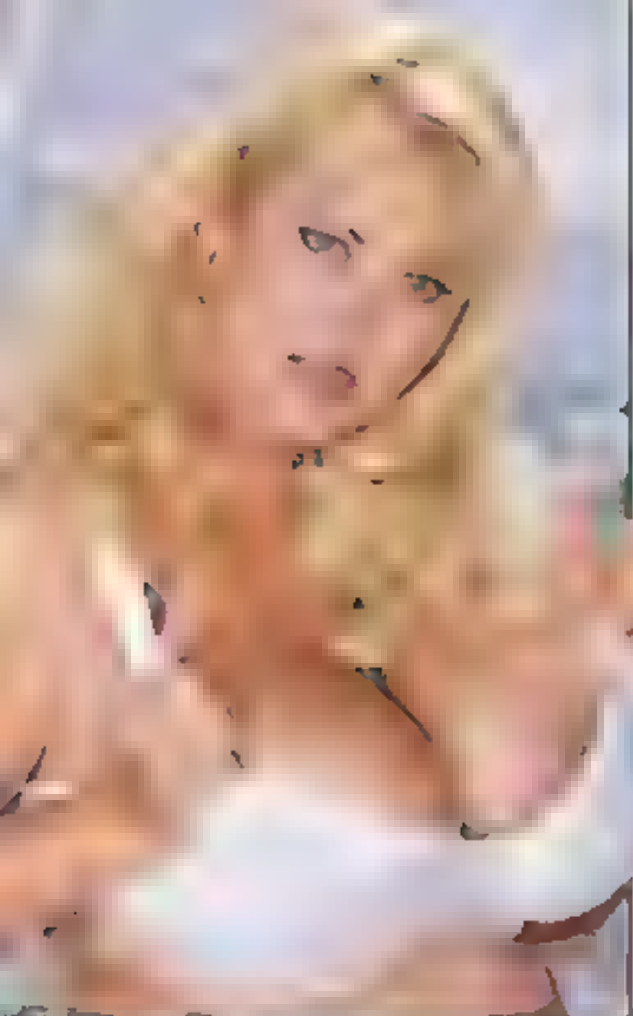

Boulder Holders

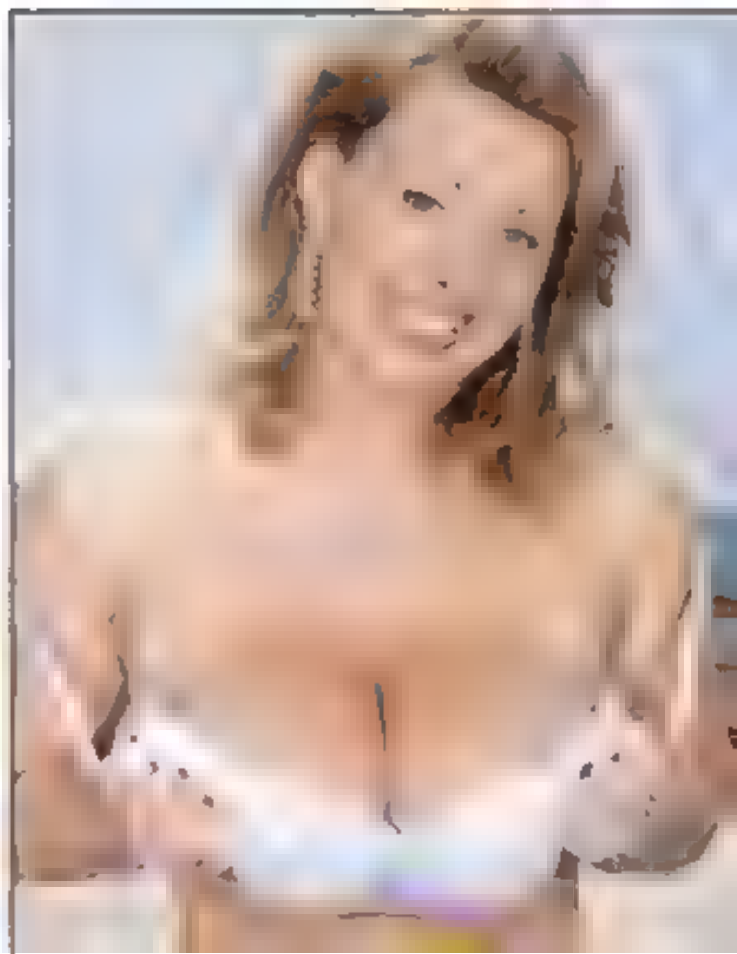

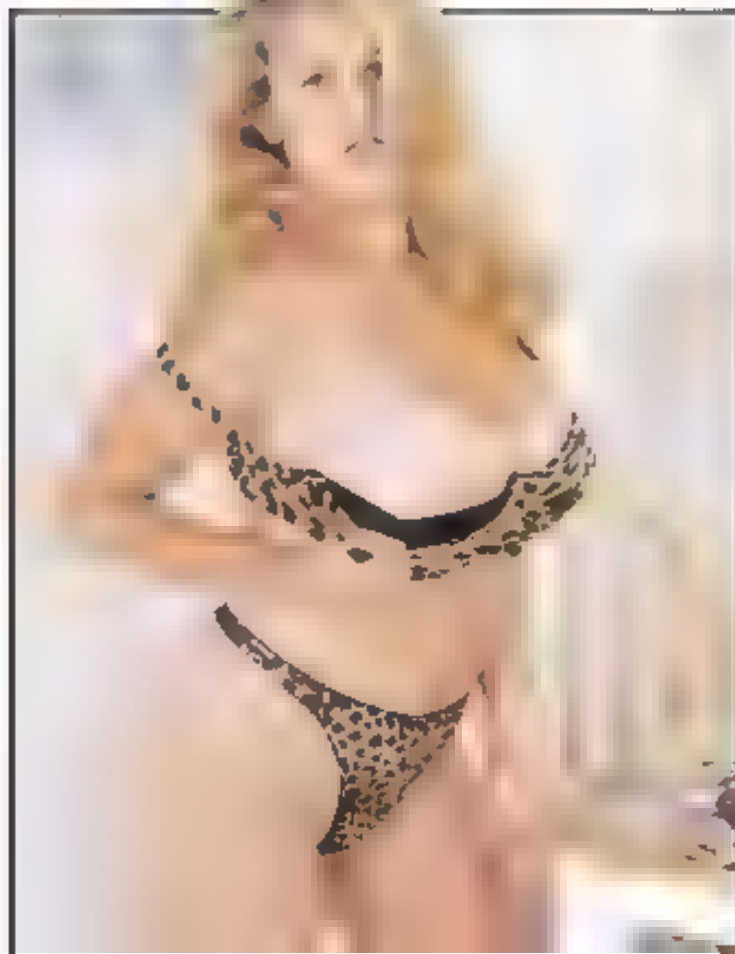

Women have been wearing some sort of female harness ever since the ancient Egyptians. The actual word "bra" was first printed in the 16th century by a rogue in 1600, warning the modern era of it. The first bra was a woman, Mary Phelps Jacobs, who patented the first bra in 1914. Nothing more than two silk handkerchiefs tied together with a belt of fabric, the garment would be sure to attract all the fashionable sprays of a x-knise. Or, at least, the day before. Hea he. Angwa White, brand 100% and 100%.

It wasn't until 1995 that the Warner Bros. company came up with the idea of "D-cups" but even then, a simple A, B, C or D wouldn't have been much help to Samantha Anne wearing B-cups this page, Winona Ryder (see page 10 on opposite page) Most of the breast-blessed women here realize that they have to have the "backstage" custom made. They simply have dimensions that the average undergarment manufacturer simply ignores. And we've got a little bad news for you big-boob-ov-ty boys. Most of these huge hammer holders have to have back straps of support making them all the more difficult to remove in a suave manner.
